WORK2GO®

Cooperation and communication on your terms

Work2Go is always there, wherever you are

With Work2Go, you no longer need to worry about your company's infrastructure for email, calendar, address books, task lists, files, etc. Your account is in safe storage with us and you will always be able to access it from your office, mobile phone, home, hotel room or wherever you are.

E-mail
Efficient email management with spam filter and virus scanner in innovative interface.

Address book
Private and shared address books and distribution lists.

Calendar
Work in groups with shared calendars and bookable resources.

Mobile
Reach your account in your iPhone, Android, Windows Mobile, tablet, etc.

File archive
Gather files in one place and distribute them with different permissions, as easily internally as externally

More funktions
